Sophie GUIEYSSE

Background

Sophie Guieysse is an engineer by education having graduated from the Ecole Polytechnique and the Ecole Nationale des Ponts et Chaussées and holds an MBA from the College of Engineers.

After a first part of her career dedicated to urban development and public infrastructure within the Ministry of Public Works and ministerial cabinets, she has been director of Human Resources in several large French and international companies such as LVMH, CANAL+ and Richemont.

She has also extensive experience as a member of boards of directors and other specialized committees. Over the past ten years, she has successively held the positions of Director and Chairman or member of the Appointments and Remunerations Committees of several listed companies : Go Sport, TVN (Poland), Rallye Group, Maisons du Monde and Compagnie Financière Richemont (Switzerland). She is currently Director of DEEZER and ABC ARBITRAGE.
